LynnCo Selected by *CIO Review* for Top 10 Big Data Companies

LynnCo honored as one of America's most promising supply chain solution providers.

TULSA, OK: LynnCo Supply Chain Solutions joins an elite number of companies that have earned a spot among the Top 10 Big Data Companies of 2018, selected by *CIO Review*.

In a deliberate session with honorary industrial experts, a list of 10 Most Promising Big Data Companies has been concluded by *CIO Review*, a technology magazine at the forefront of guiding organizations through the continuously disruptive landscape and providing enterprise solutions to redefine the business goals of tomorrow.

An excerpt from the article published by *CIO Review*: "Today, LynnCo's clients have come to expect the company to be an early adopter of advanced technologies, configuring them to best practices that optimize performance, and helping pave the road for their own business maturity. The effective use of data has become the fundamental way that the company's clients compete and operate, so LynnCo provides the insights from end-to-end supply chain information to make better, smarter, real time, and fact-based decisions."

President of LynnCo, Wendy Buxton, says, "LynnCo is honored to receive a Top 10 award from *CIO Review*. We harvest a passion for servicing our clients with innovative solutions and advanced technology with high touch service that excels their business."
