LynnCo Awarded Top 10 Most Innovative Supply Chain Management Solution Provider
Insights Success Magazine has recognized LynnCo as a Top 10 Most Innovative Supply Chain Management Solution Provider.

TULSA, OK: LynnCo joins an elite number of companies that have earned a spot on the Top 10 Most Innovative Supply Chain Management Solution Providers list of 2018 by Insights Success.

Insights Success Top 10 Most Innovative issue is developed based on research conducted by the magazine's editors. The editorial picks are unsolicited and identify core strengths within leading supply chain companies in the U.S. The issue recognizes companies that give their clients an advantage through diligence to supply chain management.

An excerpt from the article published by *Insights Success*: "LynnCo is unique in that it transforms supply chains through innovative design and engineering strategies while putting into operation the advised solutions. Its clients gain clarity around supply chain optimization strategies and can partner with a trusted advisor and operator that has a proven history of delivering a high performing supply chain that is scalable and resilient."

President of LynnCo, Wendy Buxton, says, "We strive to provide a supply chain management solution that is innovative and enables our clients competitive market positioning through a network that has been engineered and optimized by our team of consultants and operational experts. We are honored to receive a Top 10 award from *Insights Success*."
